

When I'm Gone

When I come to the end of my journey
And I travel my last weary mile
Just forget if you can, that I ever frowned
And remember only the smile

Forget unkind words I have spoken
Remember some good I have done
Forget that I ever had heartache
And remember I've had loads of fun

Forget that I've stumbled and blundered
And sometimes fell by the way
Remember I have fought some hard battles
And won, ere the close of the day

Then forget to grieve for my going
I would not have you sad for a day
But in summer just gather some flowers
And remember the place where I lay

And come in the evening
When the sun paints the sky in the west
Stand for a few moments beside me
And remember only my best

We deeply appreciate the tribute accorded to our loved one by your presence here today. We would be pleased if you could join us for lunch and fellowship following the committal service back at the church hall.
