

## Calling all Singers...

The sung worship at Holy Trinity has grown and developed since we've all come back together after lockdown – which is really great!

We're now looking to develop further still by setting up a wider group of singers who can give their support across each of the different styles of music that we enjoy at the 10:30am Sunday services. It's so good to come together with our musical gifts as we worship together and encourage one another as the body of Christ in our worship.

If you can sing in tune, in time, and enjoy raising your voice in praise, then we'd love to hear from you. We're not looking for professionally trained voices (but if that's you then do please let us know) but for both men and women whose enthusiasm is matched by a general level of vocal competency, and a desire to serve God in this way.

*...be filled with the Spirit, speaking to one another with psalms, hymns, and songs from the Spirit. Sing and make music from your heart to the Lord (Eph 5:18-19)*
