

Principal's Message:

Dear Parents,

A special Prayer Weekend, sponsored by the Northern California Conference Prayer Ministries Department is being hosted by the Auburn SDA Church on May 24-25. The guest speaker for this event is Pavel Goia, the Associate Ministerial Secretary of the General Conference and editor of Ministry Magazine.

If you are in the area for Memorial Day weekend, I would encourage you to participate in this call to prayer. About eight years ago our family read Pavel's book, *One Miracle After Another*. We saw how God's abiding presence was with this man. The miracles that he has experienced are fascinating and are an encouragement to all! As Christians, we are called to have an active prayer life. When God's spirit is working in our lives, we respond differently, we face our daily challenges with a different perspective, we become changed. 2 Chronicles 7:14 says, "If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land."

Your partner in Christian education,
-Joe Fralick

Happy Mother's Day to all of our moms!

Your encouragement, prayers, help with the daily demands of life, guidance, love and nurturing that you provide for your child make a life changing difference! We hope you have a great Mother's Day!

Our Track and Field fundraiser is coming to an end. All sponsorships must be turned in to the office by May 15th in order for your child to be included in the awarding of the various prizes. These last awards will be given at chapel on May 17th. So far, the total funds raised are \$16,500

Come to the Chipotle in Auburn Tuesday, **May 14th** between 4pm -8pm for dinner and support the 8th grade class. Just think a night of no dishes! Bring the attached flyer, show it on your smartphone, or tell the cashier your supporting Pine Hills to make sure that the proceeds will be donated. Gift cards and online orders won't count. Thank you!

For those of you who are interested in the summer program for grades K-6 a proposal is being submitted to our board on Monday night, May 13th. We will give you an update, once approval has been given.

Our children did an amazing job for the spring concert. We appreciate and value the connection that you have with our school. It is also good for our students to see the many connections that they have with our school community. Connections that will encourage and support them throughout their educational & spiritual journey. A huge thanks to Mrs. Genobaga for her contribution in making music an integral part of our student's lives. The offering collected last night for our music fund totaled \$584.58. Thanks for your support!

Art Awards: Student artwork is currently on display in our hallways. If you haven't had a chance to view yet, I would encourage you to take a look! The gallery is just outside the girl's locker room.

Students in grades 5-12 selected pieces to be part of the show in our "hallway" Art Gallery. These submissions were judged and the following ribbons were awarded: Best of Show went to Giovanna Burgos for her piece of the Peter Cologue Cathedral & Camila Burgos for her artwork entitled, "Alone". First place went to Tori Lyman for "A Moment in Time". Second place went to Zoe Kanas for her piece entitled, "Life : Death" and Tyla Williams, "Unfrightened Rabbit". Third place went to Wendell Bobst III for his piece entitled, "Saturn" and Grace McColl's entry.

Alumni and Family Vespers & Family Fun Event. May 10 at 5:00 pm we will kick off our Second Annual Alumni and Family Vespers program. As our alumni and their families grow we found our past vespers program no longer met the needs of our alumni and current families. We have decided to make this Alumni Vespers a family event open to alumni and their families and all current students and families. We will begin the evening with a drop-in football game, while having various activities for kids such as a bounce house, water fight, bubbles, and chalk. After football and fun, we will share in a meal together, and sharing each other's company. At 7:30 pm those in the golf tournament will be able to join us in welcoming the Sabbath with our vespers program around the campfire. We hope you can join us in celebrating our alumni and some family fun. For more details please refer to the attached flyer about Alumni weekend.

Our **Art Auction** brought in \$1533 which will help to purchase art supplies for the coming year.

Attention all 7th Grade Parents: An Algebra 1 placement test is scheduled to be given by Mrs. Gipson on Thursday, May 16th from 3:25-4:20. Has your child been getting A's in Math? Has he/she also achieved above the 75th percentile in math on the Iowa Assessments? If so, then this opportunity to be on the advanced math track in high school may be for your child, allowing him/her to take Calculus during their senior year. In addition, students must score 90% or higher on this placement test. Please remember, this is an optional opportunity.

Our **elementary Spring Fling** is scheduled for Thursday, May 30th from 10:00 AM – 2:00 PM at the Auburn Recreation Park. This will be a minimum day. The day will start with a worship, followed by games and a picnic lunch. We have reserved the pool and will have it to ourselves from 12:00 – 2:00. We believe that this will be a fun time for our students and families. The cost is \$10 / student which includes lunch. If your work schedule allows, we would love for you to stay and join us. We are requesting that all K-4 students are supervised by a parent. This could be you or you could make arrangements for another parent to chaperone your child. A permission slip will come home with your child next week.

All **high school strings, Choir & Choralaires** will be heavily involved in the music for alumni Sabbath. We have added a brand new concert on Sabbath evening that will serve as a vespers and a concert featuring High School Strings and Choralaires. Here is the info you will need for your participating child:

Our **senior class** will be heading to Washington DC & New York for their week long class/history trip on Wednesday night. A huge thanks to all who have contributed to their fundraising efforts throughout the year. This will be a rich educational experience where the students will have a chance to appreciate our nation's cultural and historical treasures as well as enjoy each other's company. Some of the highlights that they will be seeing: Smithsonian Institutions, monuments, US Capitol, Library of Congress, Holocaust Museum, National Zoo, Arlington National Cemetery, Empire State Building, Statue of Liberty, Broadway Musical and the Today Show.

Academic Advisement for incoming

Grades 9-12: If you did not get a chance to meet with Mrs. Wareham to go over next years schedule and graduation preparedness, please contact her to schedule a meeting. It is important to make sure all students are on track with classes and credits
