When Tomorrow Starts

***When tomorrow starts without me
And I'm not there to see;
If the sun should rise and find your eyes
All filled with tears of me;***

***I wish so much you wouldn't cry
The way you did today;
While thinking of the many things
We didn't get to say.***

***I know how much you loved me,
As much as I love you,
And each time that you think of me
I know you'll miss me too;***

***When tomorrow starts without me
We won't be far apart,
I want you to remember,
I'm right here, in your heart.***

CHARLIE B

Sometimes it's hard
To understand why
Someone so young
Should have to die

No reasons are given
It just happens that way
There's nothing we can do
Nothing we can say

Our time here on Earth
We will transcend
Here is not forever
And life doesn't end

There is a place
Through an 'open' door
It will be familiar
For we've been there before

So don't dwell on death
For its not the end
Spirit is eternal
My dear, dear friend

AFTER GLOW

**I'd like the memory of me
To be a happy one.
I'd like to leave an afterglow
Of smiles when life is done.
I'd like to leave an echo
Whispering softly down the ways,
Of happy times and laughing times
And bright and sunny days.
I'd like the tears of those who grieve,
To dry before the sun
Of happy memories
That I leave when life is done.**
