Forever Free

*As we say farewell, please feel no sorrow,
for time on this earth, we only borrow.*

*Lucky was I, my heart had a home,
and with you by my side, I felt not alone.*

*You filled my life with happiness and light,
my soul shall remain eternally bright.*

*Love cannot end, it cannot disappear,
I will always be with you, I will always be near.*

*And now that my journey has come to its end,
please know and take comfort in this my friend.*

For me, for my life, please do not grieve, for now I remain
