**RESPONSIBILITY AND LIABILITY:** Land arrangements including surface transportation: Gospel Travel, and the participating Tour Operators operate the land tours offered under this program only as agents of the railroads, car rental contractors, steamship lines, hotels, bus operators, sightseeing contractors and others which provide the actual land arrangements and are not liable for any act, omission, delay, injury, loss or damage or non-performance occurring in connection with these land arrangements. International air carriers and other IATA carriers, steamship lines and other transportation companies whose services are featured in these tours are not to be held responsible for any act, omission or event during the time passengers are not on board their conveyance.

The passage contract in use by these companies when issued shall constitute the sole contract between the companies and the purchaser of these tours and/or passage. The tour operator reserves the right to change the itinerary, delete or substitute sites when Tour operator feels it to be in the best interest of the tour.

**EXCHANGE RATE FLUCTUATIONS:**

Foreign currency exchange rates fluctuate daily. For example, in 2008, Euro rates versus the US Dollar fluctuated from a low below 1.25 to almost 1.70 (meaning that one Euro cost \$1.25 to \$1.70 US). It is very difficult to set the price of a tour when we cannot predict what exchange rates will do. We price our tours at a set exchange rate and adjust for fluctuations at final billing. If the rate drops below the original rate, we pass the savings on to our passengers. If rates increase, then we must pass those costs on.

Please sign and return to our office, we thank you for the opportunity to serve you.
