

“I wish that Heaven had visiting hours  
 And I would ask them if I could take you home  
 But I know what they’d say, that it’s for the best  
 So I will live life the way you taught me  
 And make it on my own  
 And I will close the door, but I will open up my heart  
 And everyone I love will know exactly who you are  
 ‘Cause this is not goodbye, it is just ’til we meet again”

- Ed Sheeran “Visiting Hours”

In Loving Memory of

We wanted to send our thanks to the many people that have supported us and our family throughout the years. It's been a roller coaster ride but we have been grateful to not be on it alone. Rylan came to heal our hearts. We will forever miss his sweet smile. May we all take a little lesson from him and smile through the tough times. We never know who may need that smile.

We'll be missing you to eternity love bug.

Love, Landon, Megan, Ramie, Riggs, Rylan and Rowan
