Special Thank You to The Schulz Family:

Corey worked at Mid Kansas Machine for 27 years. We are so blessed to have received a second family, our Mid Kansas family. We can't thank you enough for providing the place where my husband would try so diligently to earn a living for his family. Doug and his beautiful wife, Gail, have made a highly successful business together and have made it possible for many families to succeed. The success and the heart of that business is truly found in the man. Doug, there will never be enough thanks and praise we can give for all your love and support! And, a thank you to the men who work there and their wives who have shown so much support. We truly are grateful.

Some thoughts of Dad from the kids:

The best time for Dad was his time spent with family. He was happiest when he could sit in his recliner and drink Pepsi while watching his grandbabies.

Dad sacrificed unselfishly to support his family. He almost never missed work so that he could provide joyful times for us kids. He was always very loving and never afraid to show it. Most dads live for themselves; our dad lived for us!

Dillon and Todd have fond memories of enjoying the drag races, and Dillon will always cherish the Eagles concert he shared with his dad.

Some of our best memories with dad are the times he'd take us sledding behind his truck. Although, that would probably be frowned upon now. It was a highlight for us every winter when there was enough snow. No matter what activity we engaged in with our dad, he would always try to make it fun for us.

As we try to mourn the loss of dad and deal with the grief and sadness, we hope we can bring some of his love and joy into our kids' lives to keep his memory alive! We love you, Dad! You will be sorely missed and life will never be as fun without you!

A Tribute To My Husband

Late last night I tried to think
How to sum up a life with just some ink
How to pay tribute to a wonderful man
Who spent his life holding our hand
He was faithful and strong with a steadfast love
Ever and always going far above
His children he treasured
And by them he is measured
In the Love that they have
For their wonderful dad
A beautiful husband, father and friend
He accomplished it all right to the end
Our hearts are heavy with the tears we weep
The memories of him to always keep
So, as I sit with this poem to write
Today, hold your loved ones oh so tight
For tomorrow you could be trying this too
To sum up a life that was the glue
That held us together so steadfast and true
There will always be so much more to say
About this man God sent our way
So, to honor this man we give up and think
There will never ever be enough ink.
