

Life Is All the Sweeter Because Dave Lived

Dave will be missed for his compassion, charity, courage, personality, humor, and inclusivity. Dave gave everyone the benefit of the doubt and a hero's welcome.

David's obituary, as well as a slideshow and guestbook, will forever be available through the following webpage:

Leader of the Band

The leader of the band is tired and his eyes are
growing old;
But his blood runs through my instrument and
his song is in my soul;
My life has been a poor attempt to imitate the
man;
I'm just a living legacy to the leader of the
band.

Thank you

We express our deepest gratitude for the support our family has received during David's long illness, with its many twists and turns, beginning in September 2020.

Thank you to all who made today's January 20th service, music, and reception possible. Warm gratitude to Kent & Barbara Fisher, Tami Larson, Eric Gebbs, Kristi James, Ruth Olpin, and Camilla Hancock.

Today's service at the LDS Chapel at Temple Hill (2100 California Circle, Rancho Cordova, CA 95742) is directed by Manning-Wheatley Funeral Home, Pocatello, Idaho. The Wheatley family has lovingly taken care of funeral arrangements for David and Karla's families since 1965.

In Loving Memory
