I'm Free

*Don't grieve for me, for now I'm free,
I'm following the path God laid for me.*

*I took his hand when I heard his call,
I turned my back and left it all.*

*I could not stay another day,
To laugh, to love, to work, to play.*

*Tasks left undone must stay that way,
I've found that peace at the close of the day.*

*If my parting has left a void,
Then fill it with remembered joy.*

*A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss.*

*Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.*

*My Life's been full, I savored much,
Good friends, good times, a loved one's touch,*

*Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.*

*Lift up your heart and share with me,
God wanted me now, He set me free.*
