Missing Patsy

by Michael

I miss your kiss goodbye
The way you held me tight
The way you said "I love you"
Before we said goodnight
I miss your warm welcome back
The joy in your eyes
The way you hugged me close
And made me feel missed
I miss our coffee time
The conversations we had
The way you listened to me
And understood my heart
I miss our snuggles
The warmth of your embrace
The way you kissed my lips
And how you made me feel safe
I miss your laughter
The music of your voice

The way you made me smile
And filled my life with joy
I miss your smile
The sunshine of your face
The way you light up a room
And brightened up all my days
I miss your wit
The sparkle of your mind
The way you challenged me
And helped me shine
I miss your soft touch
The tenderness of your hands
The softness of your skin
And how you made me feel loved
Patsy, You are my best friend
My partner and my soul
You are my heart
And I'll always love you
