THE DAY YOU LEFT ME

My heart was torn in two
One side filled with heartache
The other died with you.

I often lie awake at night
When the world is fast asleep
And take a walk down memory lane
With tears upon my cheeks.

Remembering you is easy
I do it everyday
But missing you is a heartache
That never goes away.

I hold you tightly within my heart
And there you will remain
Until the joyous day arrives
That we will meet again.

Love, Your Husband
