

BLUE MOUNTAIN
SEVENTH-DAY ADVENTIST
ELEMENTARY SCHOOL

September 7, 2018

Vol. 2/Issue 3

Friday, Sunset: 7:28 pm

HOME & SCHOOL PARENT EDUCATION

The Home & School Association is having a parent education program at BME on September 12 at 6:30 pm. More details will come from Mrs. Fuhrmann.

FIELD TRIP

Grades 1-4 have an upcoming field trip to Lake Tobias on Sunday, September 16.

SPORTS FEST

Sports Fest is next weekend. We are still awaiting details from BMA. We will update you as soon as the information becomes available.

BREAKFAST PLEASE!

Parents, please make sure your child eats breakfast before they come to school. Some of our students are complaining that they are hungry because they did not have time to eat breakfast. This interrupts the flow of instruction when the teacher has to address this issue. Students cannot function optimally if they are hungry. Thank you for addressing this matter.

COMPLETE FACTS SIGN-UP

Parents, **FACTS** will be collecting tuition for BME this year. Unlike last year, this service is *mandatory* and all parents must sign up unless you have paid your tuition in full by 8/25/18. An account has been set up for each family and you should receive an email (from FACTS) with a link that will take you to the FACTS website to enter your payment information (*if you have not already done so*). Your sign-up needs to be complete by **Tuesday, September 12**. If you have any questions, please contact FACTS at **866-441-4637** or BME at 610-562-5052. Thanks to all the parents who have already completed their registration with FACTS. We appreciate your cooperation.

PIANO LESSONS

Parents, if you are interested in private piano lessons for your student(s), please contact Mrs. Trina Murphy as soon as possible to make arrangements. She has already begun giving lessons to some students here at BME.

ITBS TESTING

ITBS testing will be the week of September 24-28.

EDUCATION SPOTLIGHT

Grades 1-4: Wow, this short week went quickly! We have enjoyed studying the days of Creation. Day 1, light. Day 2, water and air. Day 3, land and plants. Day 4, sun, moon, and stars. Day 5, fish and birds. Day 6, land animals and man. Day 7 ...ahhh, the Sabbath. We also continue to rehearse addition facts, and we are learning more about fables in Social Studies...**Mr. White**

Grades 5-8: We have had another great week! Monday, of course, was Labor Day - so no school. Everyone has now mastered the names, locations, and shapes of the Asian continent. Almost everyone has also gotten the capital cities of Asia. A couple of our students is exceptional at this type of memorization, and has already accomplished all the counties and capitals of Europe and Africa. They are so amazing! Next week the 5th-8th graders are looking forward to an archeological dig. We will be searching for "biblical artifacts" that I have buried. They will need to dig with care and then reassemble the broken pottery pieces that they find. We have been discovering how God has protected and preserved the Scriptures down through the millennia...**Ms. Gravatt**

HOT LUNCH

The price of the tickets are **\$4**/each for 1-2 tickets and **\$3.75**/each for 3+ tickets. Please send in the money for the tickets on Monday. Students will **not** be able to purchase hot lunch unless they purchase tickets. Thanks for your cooperation.
