## Christmas Program

We are just shy of a week away from the Christmas program. It at 4pm on December 15 at the Saginaw SDA Church. To make sure that everyone is ready to start on time we are asking that all students arrive at 3:30 so that we can get into costumes and places. We also would ask that each family bring cookies for part of the refreshments after the program.

## Hot Lunch

Home and School is planning a special party for December 21, there will be a lot of fun activities and lunch will be provided.

## St. Charles Christmas Parade

Thank you to all who came and supported the St. Charles SDA Church caroling and passing out literature. Please pray that people who received literature will be blessed.

## School Blessings

This school year the school board has become active in looking for ways to improve the physical plant of the school. We realize that we are a small school and that at time funds can be very tight, but we want our school to look good. One of the newest improvements is the upgrade of the chairs in the Worship/Music Room and Library. If you get a chance come down and see them. Not only will the students get to enjoy these the school board, and constituency will gain the benefit of using them at their meetings and we will use them at different school events. We have several other projects that we are working on completing many are to give the main classroom a face lift. If you are interested in donating or helping with these projects, please let me know.

This week's thoughts are what they would do if they were a millionaire.

If I were a millionaire, I would live in a huge mansion and I would buy a lot of cool things. Like a pool, 4 cars, an island, and another home. ~Trinity 5<sup>th</sup> grade

I would buy a custom plate for a car I don't own and then I would spend most of it on pranks. ~Cash 6<sup>th</sup> grade

If I were a millionaire, I would probably give some of my money to the homeless people then I would get a limo and go to a different state and visit my uncle. ~Jaden 5<sup>th</sup> grade

If I were a millionaire, I would buy a bunch of robux and would buy the game passes in pet simulator. With the leftovers I would buy a new phone, tablet, TV and lots and lots of candy. With the leftovers I might give some to my parents and save the rest. ~Gabe 8<sup>th</sup> grade

If I were a millionaire, I would give half of the money to my family, so they could pay all their bills and buy groceries. They would appreciate it. Some other things I might do is buy a bunch of transformers, then I would get a debit card and put a little bit of the money on it. ~Tristan 8<sup>th</sup> Grade

Thank you for being a part of the Tri-City SDA School family.
