

# MISS ME, BUT LET ME GO

When I come to the end of the road  
And the has set for me,  
I want no rites in a gloom filled room  
Why cry for a soul set free.

Miss me a little, but not too long  
And not with your head bowed low,  
Remember the love that we once shared  
Miss me, but let me go.

For this a journey  
that we must all take  
And each must go alone,  
It's all a part of the Master's plan  
A step on the road to home.

When you are lonely and sick of heart  
Go to the friends we know  
And bury your sorrows  
in doing good deeds  
Miss me, but let go.
