## Get connected: midweek small groups

Recently, a number of people have said that they would value being in some form of small group or midweek group and so we want to give opportunity to those who are not in a group to join one.

Small groups are a really helpful way for getting to know one another, developing friendships and growing together in a stronger and deeper relationship with Jesus. They can also encourage us in reaching out to those around us, whom we long to see come to know Jesus.

If you would like to join a small group please email the church at [info@altrinchambaptist.org](mailto:info@altrinchambaptist.org) with the following information about yourself- name, address, phone and email. It would also be helpful to know time you would like to meet (daytime or evening), how often (weekly, fortnightly monthly) and who you like to join with, (ie, those with young families or retired or who live nearby).

**CAP**

### **We are getting ready for Christmas!**

This year CAP, the Community Hub and the ABC Children and Families team will be working in partnership to provide hampers for CAP clients, families and other households who need a helping hand.

Last year we were able to bless 60 households with a hamper and we would like to do the same again this year. We plan to offer food for the Christmas Day meal which will be delivered a day or so before Christmas Day by a team of deliverers. Please would you consider giving to this: £50 would allow us to treat a family or £30 would allow us to treat a single person generously, however, any amount you can give will help. The more we raise, the more people we can bless.

Please send your donations via bank transfer or cheque to our assistant treasurer Victoria Hillon at The Hub, and mark your donation as **HAMPERS** for our reference.

Any questions please get in touch with Rachel on [rachelmutter@ourhub.org](mailto:rachelmutter@ourhub.org) or The Hub 0161 941 2018.
