Until We Meet Again

*Those special memories
will always bring me smiles.
If only I could have you back
for just a little while.
Then we could sit and talk again,
just like we used to do.
You meant so very much
and always will too.
The fact that you are no longer here
may cause us some pain
You are forever in our hearts.
Until we meet again*

-Mom

*To know my brother was to love him,
even when stuff was serious he would
make a joke. He was loud and you
couldn't tell him to be quiet.
Bro I would give anything to hear
your loud mouth again.*

-Dame

Danny,
*I promise to stay true
to all of our plans,
I promise to tell our girls stories
about you everyday,
And to love and care for them
with everything in me.
We love you forever!*

Di'Ajah, Danny, & Ijanae

*How well I remember all the special
times we had, as we were raised side
by side sharing good times and bad.
Sometimes we would disagree but we
always made up in the end, but as we
grew into adults we became the best
of friends. I hold on to our memories,
the ones that are so dear, Will try to
keep you close now that you are not
here. You were called it, Was your
time, But it is so true you have left a
legacy, there was no one like you.
You were very special and I want to say
I feel lost in so many ways because you
are not here today. But I am glad to
have shared, laughed, and called you
my brother.*

-Love Danielle

HIS STORY

Danny walked around with a smile on his face and ready to crack a joke. He loved listening to music as loud as it could go, and He had a childlike spirit with a huge heart that touched all those around him.
