Don't Weep

*Do not stand at my grave and weep,
I am not there; I do not sleep.
I am a thousand winds that blow
I am the diamond glints on the snow.
I am the sunlight on ripened grain;
I am the gentle autumn rain.
When you awake in the morning's hush,
I am the swift uplifting rush
Of quiet birds in circling flight.
I am the soft stars that shine at night.
Do not stand at my grave and cry;
I am not there; I did not die.*

Missing You Always

*You never said I'm leaving,
You never said good bye
You were gone before we knew it
And only God knows why.
A million times we've cried.
If love alone could have saved you
You never would have died.
In life we loved you dearly,
In death we love you still.
In our hearts we hold a place
That no one else can fill.
It broke our hearts to lose you
But you didn't go alone,
As part of us we went with you
The day God called you home.*
