

Message from the Principal

Greetings SVAE Family,

Welcome back! It is good to see so many healthy students at SVAE! Thank you to those of you that needed to keep a student home to be safe for part or all of this week. We look forward to when we will be reunited.

There was a teachers' workshop I attended in Colorado a few years ago. A psychologist spoke about student mental health issues. One illustration she gave has always stuck with me. She compared students to jars with marbles inside. Each marble represented a stress in the students' life. The jars also varied in size because not all students can handle the same amount of stress. The point was made that when student's jar is full, they can not take any more stresses. Some students come to school each morning with jars almost full because of situations away from school. Typically, those are the students that are unable to concentrate on their work and are quick to react in a negative way. This illustration has come to mind yet again this year because of the stresses that seem to be growing in our society. People have too many marbles in their jars-- and are quick to make poor choices.

I hope that we can be the calm, caring, understanding Christians that this chaotic world needs! So when you are out and about, give each person you come in contact with more grace.

Blessings,

Mr. Hammond

Inclement weather closing/delays

We use WHSV to list our closings and delays. Please visit them via TV or their website. An easy way to do this is to visit our website, svaelementary.org, and click on the WHSV School Closings & Delays link under the family resource tab. If you do not see our school's name on the list, then school is in session. If school status changes from delay to closed, it will be posted on the WHSV website. We will also send parent-alert text messages for school closings/delays. If you are not receiving them please, stop by the office to insure that we have your correct phone number. **If you feel that the roads are too treacherous for you to travel to school safely, please keep your child at home, or bring him/her**

when the roads are clear.

Absences & tardies can be excused for weather related issues.

It's that time of year again!! **The spring 2021 Soccer Registration** starts on December 1st through February 10th. Don't forget that the online system allows you to pay online, keep track of your family "account" with the SCSL, and easily re-register your players on a season-to-season basis. The earlier you sign up, the better so that we can know whether or not we'll have enough for a team or teams. For more info call Joel Lopez at 540-683-1842

After School Care will close at 4:30 p.m. on Fridays until after March 14th so that our staff has an opportunity to prepare for the Sabbath, which begins at sunset each week.
