Adventist Community Services Disaster Relief

1. Our DR Team from the Georgia-Cumberland Conference is presently operating a Multi-Agency Warehouse in Georgia. In Michigan, the local NGOs have set up Distribution sites to serve the community. We are also serving in Lee County, Alabama, by providing assistance in the Warehouse that is being run by United Cajun Navy, a local NGO. Each of these efforts is being managed by local ACS DR teams.

2. We need more leaders in the NAD. The following programs are available: Community Services and Urban Ministry, Non-profit Leadership Program, 4Q Leadership Development, and Disaster Response Operations. For more information please contact Gabriele at 720-560-4763.
