ETERNAL LOVE

I believe that God above
Created you for me to love
He took you from all the rest
Because he knew I love you best
I had a heart one warm and true
But now it's gone from me to you
So take good care as I have done
Before you have two and I have none
When I get to heaven, which is not very far
I'll print your name upon a shining star
So all the angels can and will see
What you my dear heart really mean to me
When I get there on Judgements Day
Just know I'm coming straight your way
I'll have beautiful open wings
Fancy hearts and golden things and
Just to show my love is true
I'll fly to the highest of heavens to wrap my wings around you.
You are forever, my eternal love
I pray you get this message when you see the white doves.
Rest in Paradise from your eternal love best friend, soulmate, and wife.
I love you forever
Mrs. Demetrius (Deme) Nelson
