Pre-K & Kindergarten Mrs. Beth Kobliska

New Theme

This week we started our new theme, **Wonderfully Made**. This theme focuses on the wonderful design God used in creating people. In the first book, *The Growing Story*, a little boy watches his animals, the grass and trees grow all summer long and finally realizes at the end of summer that he has been growing too. In Bible, we learned about Daniel and how he learned to make healthy choices. The memory verse is "Even children are known by how they act." Proverbs 20:11.

Next Week

Next week we will continue to talk about our **Wonderfully Made** theme and we will also spend some time learning about **Dr. Martin Luther King, Jr.**

Parent/Teacher/Student Conferences

There is **no school on Monday** (Jan. 14) for Pre-Kindergarten through 2nd grade. But I look forward to seeing each of you that day at your **scheduled conference time**. If you haven't yet scheduled a time, please let me know so we can find a time slot that works for you.

Hundredth Day of School

On Wednesday, January 23, we will celebrate the 100th day of school! The kids have been counting the days (literally) and are pretty excited. We will spend the day doing fun activities that

focus on the number 100. I will be sending home a display board and I would like each student to work with their family on deciding how to collect and display 100 items on the board so they can bring it and show it to the class. More details to come.

Snack Helpers

Snack this week will be provided by: Tuesday, Emma; Wednesday, Mia; Thursday, Rhett.

Focus Concepts

Next week we will learn about the letter **Jj**, the number 6 and the oval.

1st & 2nd Grade Mrs. Kay Sutherland

Happy New Year! I hope your holidays were relaxing and enjoyable! I am looking forward to the second half of the year with your precious children.

We are looking at our Family trees. If you haven't filled one out please help your child complete it. Also, please send pictures of grandparents or parents as children. If you don't want to send the treasured pictures just take a picture of them and text it to me.

Report Cards will be given out on Monday the 14th. Please sign up for a **parent/teacher/student** conference. I am looking forward to meeting with each family to discuss the progress of your child in our class. There will be no classes Monday the 14th for Pre-K-Second graders only.

In spelling first graders will be tested Friday on these Lesson 13 words: may, day, away, play, made, make, take, *grade, *pray, *came.

Second grade spelling test next Friday will be over lesson 13: paint, pay, plays, pray, rain, say, stay, today, train, way, *birthday, *praise, *stayed.

3rd & 4th Grade Mrs. Eva Hill

☺ **HAPPY 2019!** May this year bring abundant blessings to each of you.

☺ **We started the new year with two birthdays!** Sammy and Lilly, you are such special members of our class. Keep making the most of your talents and abilities.

☺ **We have a new third grader.** Elienai Rodriguez has recently moved to the area and we are so happy to have her join our classroom family!

☺ MULTIPLICATION!

Most students have done very well on the 121 fact test. **Congratulations!** You guys have worked hard and it will help you so much in math. A few are still working on mastery of these facts. Don't give up! You CAN do it.

☺ **Spelling words from lesson 17** will be tested next Friday. These words are on the word list for lessons 13 through 17 that were sent home several weeks ago. If you need another copy of the list, please let me know.

☺ We go outside for breaks and PE.

It is sometimes difficult to keep track of the weather with the frequent changes from warm to cold days. Please help your child remember to dress appropriately for those cold days.

☺ Treasure verse quiz next Friday is:

"Hear, O Israel! The Lord is our God, the Lord alone. And you must love the Lord your God with all your heart, all your soul and all your strength. And you must commit yourselves wholeheartedly to these commands I am giving you today." Deuteronomy 6:4-6 NLT
