## Thoughts From Today's Sermon

Jesus said that just before the end of the world it will be like the days of Noah and the days of Lot. In examining these two stories, we discover the urgency of end-time evangelism and the need to share the gospel today.

## Mission Statement

We accept the ministry given to us by God: to bring the healing power of Jesus' love to people, and to provide a nurturing place to build a friendship with Him.

## Welcome

A heart felt welcome to our church family and guests on this beautiful Sabbath morning! We are delighted to have yet another opportunity to come together in God's presence. We have every reason to be here, to praise and worship the only One who is deserving of our adoration. May we all find in Christ our heart's desire, and in our song, our prayer, our listening and our fellowship, the transformation of His amazing grace.

A fellowship meal **with our guests in mind** has been planned for immediately following the worship service this morning. This is an opportunity to get better acquainted and enjoy the love that God has put in our hearts for one another. Everyone is welcome!
