Welcome to the Bonners Ferry Seventh-day Adventist Church. We are a place where Jesus is the center and focus of everything we do, and where people of all ages, backgrounds, and nationalities are welcomed, included and loved. We believe that, with God, all things are possible. Today we'll be looking at 2 Peter 2 and the challenge churches face when teachers bring false doctrines into the church. We want to be the kind of community that will protect its children (both the youthful and new believers of all ages) from those who would try to pull them away from Jesus.
