

Mrs. Reason

Hi Guys, I'm Pattie Reasor and I have been teaching at MANS for six years now. I teach sciences and math. My favorite subject is Biology. I love human anatomy and ecology. Though in college I took as many classes on plants as I could.

My favorite hobbies are cooking, reading and gardening as well as I really love photography.

I've been married to my best friend for 18 years. His name is Dr. Steve Reasor. And no he isn't that kind

of doctor. He has a doctorate in storytelling to young people and is

working on a second one on the New Testament of the Bible. Together we have two kids, Aeden is 11 and Mackenzie is 10, both are entering grade five this year.

canoe even once.

I can't wait to meet you!

Together as a family we love to camp and canoe though we were so busy this summer we didn't get to
