

Together Again

*A reunion occurred in heaven this week
Of the sweetest and most joyful kind
As Mom's spirit moved beyond this earth
Released from her mortal life*

*And what a reunion it must have been!
A joy beyond our conceiving
When Mom met Dad in heaven again
As we contemplate the joy that they finally feel
Now that they are together again*

*And though we'll miss them terribly
And will long for them with deepest grief
We are reminded that love is more powerful than death
And this knowledge gives us comfort and peace*

*For we know this isn't the only reunion
Someday we'll be called back to be with them
For life can lead us to greater happiness
With the Lord and our loved ones in heaven*
