

### "She Said"

I've tried to prepare for my journey,  
I've done the best I can;  
And what happens from now on,  
Is in the Almighty's hands.

Oh how dearly it warms my heart,  
Oh how it makes me glow;  
To see my family and friends come,  
To let me know they love me so.

My friends all come to say hello.  
But in a way to say good-bye;  
I've asked them not to weep for me,  
I can't stand to see them cry.

I know the hurt that they feel,  
I know so well the sorrow;  
But I know we will meet again,  
Somewhere in the beautiful tomorrow.

If I show any strength at all,  
It's from the love my family gives;  
It triggers something within me,  
That screams: Live, Live, Live!

"So weep not for me" she said,  
"Keep a smile upon your face,  
Think of my departure from earth,  
As going to a better place."
