

Meet Your Teacher

**“Trust in the Lord forever;
He will always protect us.”**

- Isaiah 26:4

I am **Nelson Joseph**, my students call me Mr. J, and friends call me Nelson. I am your Grade 9 teacher. This is my first year in Mamawi. I love being with students. We are going to have lots of fun learning together this year.

I've taught in India, Sri Lanka, and volunteered in schools in Ontario and Alberta. My wife, Mrs. Joseph, teaches grade two here at Mamawi. My daughter Jane is in her third-year university at Burman and my son is in grade 12 at Parkview Adventist Academy. There will be lots of learning happening in my house this year.

I love listening to music and singing. I enjoy travelling, biking, hiking, camping and eating lots of fruits. My favorite color is blue. My dream is to fly in powered paragliding and also raise lots of animals.
