

Dear Parents,

It's that time of year again to start registering for the 2019-2020 school year. Teachers will be contacting you on a time that we can meet up and help you with registration and any questions that you may have for the new year. Registration will open Wednesday, February 3, 2019.

Attention!

Pasta for Pennies; February 4th - 22nd

Each school year we try to instill in our students the power of giving and serving others. Starting this Monday, our students will be collecting for a charity event called Pasta for Pennies. This is a great character-building initiative in which students collect donations, including their own spare change, to support the Leukemia and Lymphoma Society to find cures for blood cancer and to help patients have access to treatments that they may need. The top fundraising classroom in each school receives a pasta party courtesy of Olive Garden. Please encourage your children to participate and have fun all while serving others.

Dear Parent or Guardian,

Your child's school is participating in Pennies for Patients, a service learning program that helps raise critical funds for The Leukemia & Lymphoma Society (LLS), the world's largest nonprofit fighting blood cancer. Did you know that breakthroughs in blood cancer research are now being applied to other kinds of cancers and serious diseases? By participating in Pennies for Patients, schools like yours receive our exclusive STEM Curriculum, which teaches students foundational skills in STEM concepts and gives them a look at real LLS-funded scientists. Through Pennies for Patients your school can earn gift cards for supplies and your child earns fun thank-you gifts to remind them of the Honored Heroes they are helping through their fundraising efforts.
