To My Son

I know how much you hurt inside as if somehow the sun refuses to shine in you, while everyone else is still walking in warm light. But in reality we all have our sad times, our pain and loneliness these things are not yours alone. I wish I could put the sun back in the sky exactly where you want it but all I can do is tell you that I hurt too. And all I can do is give you my hand to hold, my ears to listen, and my heart full of love.

Carrie Lee Morgan

We Miss You

No words we write can ever say
How much we miss you everyday,
As time goes by, the loneliness grows
How we miss you, nobody knows.

We think of you in silence
We often speak your name
But all we have are memories
And photos in a frame.

No one knows our sorrow
No one sees us weep
But the love we have for you will always be deep
You will forever be in our hearts.

We will never stop loving you
I'm sure we never will
Deep inside our hearts
You are still with us.

Love you always and forever
Stephanie, Jamell, Joseph
