JUST FOR FUN

SPRING CLEANING

It is the time of year to get started on spring cleaning and the kids have no interest in helping. What to do... Here are some simple tasks for little hands:

Vacuum: Believe it or not, many kids find vacuuming fun. Take advantage of this by allowing them to vacuum. If they are on the younger side, just choose a small area at first and "grow" from there as they grow.

Fur Removal: If you have a pet, then you are familiar with pet hair ending up all over your house. Let your littles use a lint roller to gather pet hair that accumulates on chairs and furniture.

Clean Trim: Little people can fit in small spaces. Arm them with a damp rag and let them clean the tops of baseboards.

Organize Closets: Let them gather old clothes for the upcoming Pass it On event. Pack and unpack seasonal clothing.
