Vision Statement

(Also refer to Acts 2:42-47)

We, the members of the Omak Seventh-day Adventist Church, foresee our church, if the Lord has not yet come and with His blessing, with a growing attendance where every member is active in outreach ministry. We will reach all the cultural groups in our community and have unity in diversity. We will be open to the Lord's leading if He deems it necessary to secure a future site for new facilities to accommodate our growing membership.
