This schedule is done to the best of my ability, keeping in mind your speaking, chorister, and worship coordinator schedule. Sometimes, double scheduling you has been unavoidable. Should you find a problem, please let me know ASAP, so I can fix it. Should a problem arise later, please attempt to find a substitute and let me know of the change. Pam is now teaching mostly downstairs, but scheduled upstairs a few times to avoid bottlenecks. Thank you, all, for making this work!
