Collection of Stories and Experiences

Here is one way to keep fresh in your mind what God has done for you or others in a way you can readily access in order to share with others. Consider buying a notebook, journal, or choose a place on your computer or phone to write down your stories, Bible stories, and other people’s stories. Use these sheets or divide your notebook into the areas listed below that summarize topics highly important to most people. Add more Bible promises and counsel for each area so that you have something you can effectively invite people to “taste and see that the Lord is good” (Psalm 34:8).
