FROM THE FAMILY OF ELVIS E. COX

**My Daddy is the best  
father I know**

**I can't recall a time of day  
When he would say I can't or no  
He would give you his best advice  
Then give you room to grow  
If he would see you getting off track  
Would be quick to let you know  
Then give it to you raw  
Without sugar coat  
With those hugs he would give you  
The love would warm you like a coat  
Oh how I wish you were still here so  
I could receive a couple mo'  
I can still hear you singing in my ear  
Hitting your high notes  
You went at life round for round  
Even when it had you on the ropes**

**Here Today Gone Tomorrow**

**Heart filled with peace  
Yet there is some sorrow  
Wishing I could see you one more time  
Wishing time was a movie  
And I could just rewind  
All I wanted was to make you happy  
Not realizing you were happy  
Just being my Daddy  
So while it may be bye from now  
Keep me safe and keep me strong  
And guide my way even when I'm wrong  
Love Always, & Forever Daddy's Girl  
From the Beginning of the Earth  
Till the end of the world.**

**With you there was no backing down, Forward was the only way to go  
And if I ever needed you, You'd come running that for sho'  
Daddy you're my hero, Just thought I'd tell you so  
Love you always and forever, Your #1 son, Eldon**

**(One thing my daddy was strong on was family being together, so let's take this time while we're gathered to share some of those Elvis hugs with the ones we love. . If you were ever blessed to get a hug from him you already know what hugs I'm talking about. lol.)**
