## Lessons from Heaven

“It’s scary to think about leaving...  
To go where I can’t see your face.  
How will I ever return,” I asked  
“If I can’t remember this place?”  
“I’ll give you lessons from Heaven”  
He said with a smile in His eyes.  
A sigh, then a look of confusion  
Was all I could give in reply.  
“Lessons to guide your return, child  
To your home, this place you once knew,  
Trials to help you grow stronger;  
Don’t worry... I’ll be there for you.”  
“The lessons won’t be very easy,  
Your heart will be aching with pain.  
Some will seem harder than others,  
Though not one will you learn in vein.”  
“You can do it,” God said as he hugged me;  
“I know what you’re capable of.  
You’re right... you won’t see my face child,  
But always, I’ll send you my love.”  
-Karla Claybrook
