# To Our Little Brother

I just wanted to start off by saying thank the Lord. The Lord always have something planned. But even though Jeremiah is gone, God took him away for a reason. Not for us to be sad or depressed over. He took him away because it was his time to go home. He had a family that loved him dearly but he was sick and needed to rest. The Lord always have plans and we all have to understand that. But we really appreciate everyone that came to the funeral to say our last goodbyes. Here is a verse from the book of Jeremiah, "For I know the plans I have for you," declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future."

(Jeremiah 29:11)
