ALL ABOUT CONS

Con is short for convention.

A con is a large gathering and celebration also known as a fan convention! At these conventions, thousands of inspired fans come together to celebrate all the fantastic and wonderful things they love about a specific genre.

Cons are chock full of things to do. Main Stage and Side Stage events, guest panels, artists' alleys, cosplay, challenges, contests, meet and greets, and more.

Mainstage Events: Marquee offerings with headlining guests.

Side Stage Events: Smaller more intimate events.

Pro tip: Many events are happening at the same time. Choose your favorite events first then build the rest of your schedule.

Seats are limited: We want each learner to have a chance to interact with their teacher. Seats fill up fast so be sure to book your favorites early!

GAMECON LOBBIES

HOSTED BY LEARNER COMMUNITY

Want to get event reminders, hear the latest buzz, and mingle with other GameCon participants?

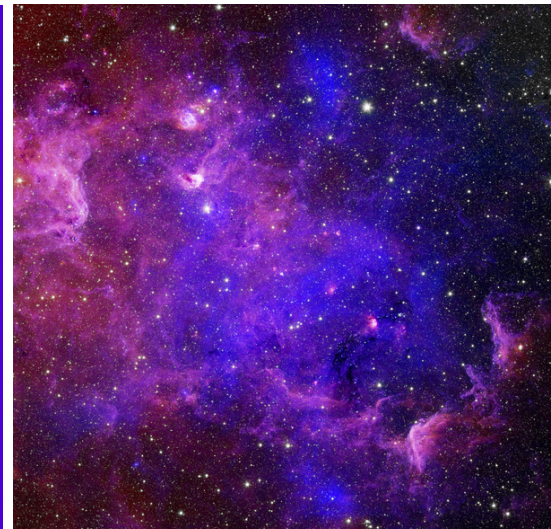

Enroll in one of the GameCon Lobbies.

These free experiences are run by Learner Community.

INTERGALACTIC LOBBY

This Flex Class is recommended for:

- Learners 8 and under.
- Learners 9 and older that enjoy parent support navigating the classroom space.
- Older learners that prefer a flex class over a group experience or want fewer daily notifications.

GAMER LOBBY

This Group is recommended for:

- Independent learners 9 and up.
- Learners who want to participate in a more immersive and social experience.
- Learners who enjoy the Group dynamic, want to make friends, and don't mind getting lots of notifications.

Welcome to the Main Stage

Join the Learner Community Mods, featured educators, and this year's special guests with three days of free Main Stage events for learners.

Most Main Stage events take place between 9 am and 5 pm Pacific time.

Please visit the class listing for info on when events take place in your time zone.
