NO CHOIR PRACTICE TODAY. Thank you to all who made today's program a success—David for conducting, Victor for narrating, Eucabeth for being the soloist, and all the choir members for their faithful attendance and hard work. We appreciate all of you so much. We need choir members to return their books and CD's to the church as soon as possible. Choir will resume in January to learn our new cantata for New York. Look for the announcement in the bulletin. If you are not going to New York, we would still urge you to come and learn the new cantata since we plan to perform it for our own church in the future. Thank you all for the love and support.
