I'm Free

Don't grieve for me, for now I'm free
I'm following the path God laid for me.
I took his hand when I heard him call,
I turned my back and left it all.
I could not stay another day,
To laugh, to love, to work or play.
Task left undone must stay that way,
I found that peace at close of day.
If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Ah yes these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full; I've savored much,
Good friends, good times, a love one's touch.
Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your hearts and share with me,
God wanted me now; He set me free.
