FUNERAL DIRECTOR'S BRIEF

RECESSIONAL

Shauntai Dominique Dugan Harris

daughter of Reginald Wright Harris and Roxanne Dugan, was born November 1, 1984 in Philadelphia, Pennsylvania. Her earthly life ended on Monday, April 10, 2023 as she was called to her eternal life. Along with her parents she was preceded in death by her brother Reginald Harris, Jr. Affectionately called "Tai" or "Shaunt" by her loving family and friend, Shauntai was reared in Philly and Palmer Springs, Virginia. Her family relocated to Mecklenburg County where she received her education from the Mecklenburg County Public School System. She graduated from Parkview Sr. High School. She continued her education at Southside Virginia Community College where she earned an associate degree in business. Dedicated, creative, and resourceful Shauntai became a Homemaker, Business owner and Entrepreneur.

Loving, kind, and devoted, Shaunai had a zest for life as she lived it to the fullest. A loving mother, sister, aunt and friend who loved her son, nieces, and nephews unconditionally as she delighted in the special times shared with each one. Her favorite pastimes were applying make up, interior decorating, and shopping. To know her was to adore her, her love was genuine as she gave unselfishly, always willing to assist anyone in their time of need. She knew and loved the Lord as she gave her life willingly to Him. A dear beloved heart is now at rest to always be remembered with joy and thankfulness.

Precious memories are forever cherished by her fiancé Daryl Farmer; her son, Marcaus Harris, stepmother, Robin Harris; her siblings, Christal, Christopher (Sasha), Sentia (Benjamin); Dustin (Tabitha), Rog, Synthia (Michael); aunts and uncles, Lester, Jamie (Sandra), Alicia, Genoria and Keshia; god-mother, Mary Tisdale; god-brother, Marcus Tisdale (Vera); devoted friend, Marcus Harris; a host of nieces, nephews, other relatives and friends.

**"See what I see when
you look in the mirror;
A QUEEN, MY QUEEN,
my everything and all in between.
How could you never think that,
ever not think that, or not know,
that you are what you are?
I love what I see, what you let me see
and what we are to be.
What we are now is a prelude,
a short piece of music
that introduces a longer piece.
The metal before it's shaped into a sword.
Lighting before the thunder.
I love you, I will always love you
And hold you in my heart,
Shauntai, My Wife & My Love Forever**
