

*Dear Family,*

*Next Sunday- March 22, marks a milestone that I have been thinking about a lot lately. It would be 70 years since your Dad and I were married in 1940.*

*Little did I think that this many years later I'd be carrying on alone. But as I recall all of the good things in life that he has left with me- How could I feel sorry.*

*#1 Six wonderful children of whom I am very proud to be their mother.*

*#2 Twenty-four special grandchildren who I love.*

*#3 All those darling great grandchildren who are so darn cute.*

*#4 A comfortable and warm home and wonderful life to have been at our farm.*

*#5 Being established in St George where I'm happy in winter.*

*#6 His loving Fuhriman family and an honorable Fuhriman name which I revere & try to keep it honorable.*

*I love you all and know how blessed we are to love and enjoy family as we all do. We are a special caring family.*

*It is my hope and prayer that we are all striving to prepare ourselves to be able to meet and be with each other when we depart this life.*

*I appreciate all of you for your concern for my well being and comfort.*

*I see in each one of your qualities from your Dad and know that he would be so proud of each one of you.*

*I love you all. Mom*
