GONE HUNTING WITH THE MASTER

I've finished all life has for me.

I've been invited to the great hunting ground,

Where everyday is a wondrous day to hunt.

To fill your heart with every wish.

Don't worry or feel sad for me,
For I'm hunting with the Master of the Hunt.

We'll miss each other for some time,

But in time you will come

And we'll be with each other again...

That won't be long you will see,

'Til we're together again, you and me.

For all those that think of me,

Know that I am on a great hunt

And happy as can be.

Of those that wonder my missing

Tell them I'm gone hunting with the Master.
