

Memories and Tributes

Light from our lives has gone. A voice we loved is still. A place is vacant within our hearts which never can be filled. A bouquet of beautiful memories sprayed with a million tears. I wish God could have spared you if just for a few more years. We hold you close within our hearts. And there you will remain. To walk with us through out our lives until we meet again. So rest in peace dear sister and thanks for all you've done. We pray that God has given you the crown that you've truly won. Your vacant place no one can fill. We miss you now and always will.

My Precious Toy Toy

Those precious memories of you will always bring a big smile if only I could have you back for just a little while. Then we could sit and talk again just like we used to do. Even-though I know that God had different plans and I must accept that too. The fact that you are no longer here will always cause me pain but you're forever in my heart until we meet again. Grandmother "Granny"

A tribute to my Cousin/Sister

Growing up as little girls we shared pieces of our childhood. You and I created the best treasure book together. Who would have ever thought I'd be making this tribute to you. Life definitely has a funny way of humbling us up. Those times and moments well forever be a part of me. I'm glad I had the opportunity to make footprints in the sand with you because no one knew the pain you cared because your beautiful smile covered it well. Two cousin/sisters, side by side mended so well that the bond we shared could never be broken. You'll always hold a place in my heart. If I've never said it I know you knew I appreciate all the love, respect and support you've ever shown. As I turn the page of our book this chapter will never end until I see you again. May you rest in eternal peace OUR FOREVER VALENTINE..!!!

Love, Keisha

God looked around
His garden and found
An empty place.
He then looked
Down upon the earth
And saw your
Tired face.
He puts his
Arms around you
And lifted you
To rest.
With the help Of his angels
They flew you
To your
Heavenly place

Your Sister
Love LaShanda

If tears could build a stairway, and memories a lane.
We would walk right up to Heaven and bring you back again.
No farewell words were spoken, no time to say "Goodbye".
You were gone before we knew it, and only God knows why.
Our hearts still ache with sadness, and secret tears still flow.
What it meant to love you "Toy" was far beyond what anyone could imagine and know.
We will forever love you.

To The Family

Don't grieve for me, for now In free, I'm following the path God laid for me.

I took his hand when I heard his call, I turned my back and left it all.

I could not stay another day,
To laugh, to love, to work, to play.
Tasks left undone must stay that way.
I've found that peace at the close of the day.

In my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss, Ah yes, these things I to will miss.

Be not burdened with times of sorrow, wish you the sunshine of tomorrow.

My life's been full, I savored much,
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief, Don't lengthen it now with undue grief. lilt up your heart and share with me, God wanted me now, He set me free.

Love you all,
Toy
