Adventurers in the Kindergarten Room
Pathfinders in the Youth room upstairs.

Fridays—
2:30pm, Lego Robotics

For information on these activities, call
Joseph States 208-871-7376

■ **Devotional:** This is my command - be strong and courageous! Do not be afraid or discouraged. For the Lord your God is with you wherever you go. Joshua 1:9 This verse sticks out to me because it reminds me to stay strong especially with what is going on in our world. It also keeps me reminded that God is here to help and protect us. We read a story in class this week about Gideon. God had told Gideon to fight the Midianites in battle. Gideon had to build an army but only 32,000 men showed up and the Midianites had 135,000! God told Gideon that he had too many soldiers. Gideon wasn't sure why God said that, but he let any man that was afraid leave. Then he was left with 10,000. God said that there were still too many soldiers. So God gave them another test by having them drink water. After that test, Gideon was left with only 300 men. They surrounded the Midianites when they were sleeping. The Midianites couldn't see so they were fighting each other. SO Gideon's army won. I think this story is connected to this verse because Gideon was a little scared to fight because there was so few of them, but he knew that God was on his side. SO he stayed strong. – Addie, 7th grade

Math games by Mateo, Grade 4
Pre/K building
Pre/K making Gak
Grades 1 & 2 being silly!

· **Poetry Corner:** Eagles are regal.
They hunt for prey by day.
They nest best in the west.
The creature is a teacher. –
Joshua, 6th grade

· I loved summer, you should too.
· Playing in the pool was fun too. –
Sydney, 3rd grade

Parents: Please note that any parents or visitors need to wear a mask when they come into the building. With the recent mandates, we must be diligent to keep our school safe.

Classroom News:

Grades 3-7

This week we had Monday off because of Martin Luther King, Jr. Day. We played Capture the Flag and did a lot of puzzles. We played Candy Land and Mancala. We read about Gideon and watched a music video with Gianna (Mrs. Davidson's daughter and former student) playing hand bells in it.

[We are having a "fast" from the students' iPads this week, so they were finding "other" things to do when they had finished their work and had free time.] – Luke, 5th grade

Grades 1-2

We had a short week because of the Monday holiday, and Tuesday and Wednesday we had a sub because Mrs. Davidson had to attend a meeting on Zoom. For P.E. one day, we did pull-ups with the upper graders. We played Capture the Flag for recess. In Bible we learned about the last six commandments and how to love others. This week we started Science again and are learning about motion. In class on Thursday we made paper airplanes to fly and measure next week.

Preschool/Kindergarten

For Art, the Kindergartners are doing a crossing the Red Sea project (and for Bible as well). They are also reading *Pepper the Bear*. A song they are singing is Pharaoh, Pharaoh and they are learning how to read. – Khyler, 4th grade

Childcare/Preschool

The preschoolers have been doing a lot of fun things. First, they have been making puppets. They also like their new colored pencils. They love playing outside and singing songs. They are also going to do crayon art. – Makenzie, 4th grade

How to: Coca Cola Explosion

First, go to the store and buy some Coca Cola and Mentos. For the best effect, buy a liter of the soda in a plastic bottle. Then go outside. Put the Coca Cola on a flat surface. Take the lid off the bottle. Put the Mentos in the bottle and step back and watch it explode! It's so cool! – Havilah, 5th grade

Kaleb- 2nd grade, 7 1/2 years old

What's his favorite color? Black and red

In his free time he plays on his iPad, computer, and he rides his electric scooter.

His favorite foods are steak and cantaloupe. For desert he like ice cream sundaes with a cherry on top.

His favorite truck is a Ford Raptor and his favorite hobby is pretending he is a car. His favorite sport is racing. His favorite subject is math and his favorite thing to do at school is play dodge ball. – Cadance, 5th grade
