**Special Seating:** Lawn chairs are not permitted during the Friday evening through Sabbath evening meetings to help maximize seating. Those with special medical needs will be granted exceptions by permit at Information. During the week, special designated areas will be provided for the smaller style lawn chairs without permit. For all meetings, space will be designated for wheelchairs and other special needs.

**Saving Seats:** Feel free to save seats *until song service begins*. When the singing starts, any unoccupied seat (including lawn chairs) is free to be used by anyone. Refrain from using seat cushions to reserve seats.

Avoid sitting in seats that are reserved by signs for tram drivers, singers, speakers, official photographers, ushers, etc.

After each meeting, ushers will straighten up in preparation for the next service. Anything left behind, including seat cushions, will be removed and placed in Information behind the fitness center.

**Exhibit Tent:** Open today from 2:00-6:30 PM only.
