WOW! What a week! YACS was very busy AND very blessed!

Our 7/8th grade class went on an amazing science trip. They had a lot of fun and saw and learned a lot of really interesting things. But the understories are always the most inspiring parts of these types of trips. During their trip they had to take the ferry. Before they left Mrs. Weigley found out the price per student to ride the ferry went up on Oct. 1 from \$2/student to \$10/student, plus they had to pay the large fee for the bus. When you are on a tight budget that is a very hard hit. However, when they got to the ferry terminal they were only charged the amount for the bus! Not \$200 for our students, not even \$40. So what was supposed to be a huge increase indeed up being a nice reduction in cost. And you know how trips are in buses...there are ALWAYS issues? (Just ask the teachers about our Bermuda Triangle!) We can happily say this trip, however, was event free. The whole trip was GREAT! Thank you everyone who played a part in helping the school get a dependable bus. It is always remarkable to see God do His handiwork.

On Sabbath our 1/2nd and 9/10th graders put on the worship service at the Fairview church. And I must say they did an amazing job. Every single one of them! Our 1/2nd graders said prayer, read scripture, announced songs, and sang a beautiful special music all like champions. Our 9/10th graders shared their musical talents and spoke well thought out, meaningful sermonettes. You could not help but walk away truly blessed.

Then on Sunday the school was transformed into a fall wonderland for anyone and everyone who came to the Fall Festival. There were all sorts of games and activities to enjoy and tons of food to pick from. We are all still talking about the huge number of people from the community who joined us. There were so many people here that none of us knew. Thank you so much to all of our Home and School crew who worked long hours planning and preparing for this fun event. Thank you to all of our volunteers who shared their time and put your hands and hearts into action to help make this event possible. And thank you, everyone, for telling your friends and families about this event and bringing them to our school. Because of all of you this Fall Festival was a huge success!

Come visit us at the school anytime and learn more about even more exciting things going on!
