CALLING ALL VOLUNTEERS! LCS) is looking for volunteers who are passionate about Christian Education and wanting to make a difference in our community. LCS is in a mission to grow our school and share our passion to people using the most creative, innovative and effective ways possible. We are currently looking for volunteers who will serve in our three brand new teams: Marketing, Fund Raising, and Visioning Committees. We are hoping to have a maximum of 4-5 people in each team. You will be working with the most dedicated, passionate and driven board members. Here's our vision on the role of each committee: **Marketing team:** You will become our ambassador and eager to share our unique story to people. Great communicator both written and verbally, see things in colours, know some social media, eager to find the most effective ways to get the message across to our audience. **Fund raising team:** You will become our go-to-person for finding all types of resources to support our mission and visions. You are natural at creating deep connections, love making new friends, and get excited for speaking in front of people who share the same passion. **Visioning team:** You will become our day dreaming expert and be ready to draw your vision on a drawing board. Know some finance, good communicators, and have many great ideas to share about Christian school and education.
