Key Concepts for Spiritual Growth

God's plan for humanity is one of unity and harmony. While waiting for the final restoration of unity made possible through Christ, God's people are called to be representatives of His love and grace.

NAMES OF GOD

PRINCE OF PEACE

SAR SHALOM Paul assured the Ephesian Christians saying of Jesus, "He himself is our peace." Jesus reconciled us, making peace through his blood. Peace with God produces peace with others and peace within ourselves.

How to Hear the Voice of God

Is it possible that what we perceive to be relational, emotional, and spiritual problems are actually hearing problems -- ears that have been deafened to the voice of God? And it's that inability to hear his voice that causes us to lose our voice and lose our way.

Boldly saying: Learning how to hear the voice of God is the solution to a thousand problems! It is also the key to discovering our destiny and fulfilling our potential.

His voice is love.

His voice is power.

His voice is healing.

His voice is wisdom.

His voice is joy.

Is God's voice the loudest voice in your life?

The seven-word prayer that can change your life.

Speak, Lord, for your servant is listening.
