in the Pipkin Braswell Reception Center.

His Journey Has Just Begun

*Don't think of him as gone away
his journey's just begun,
life holds so many facets
this earth is only one.*

*Just think of him as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days and years.*

*Think how he must be wishing
that we could know today
how nothing but our sadness
can really pass away.*

*And think of him as living
in the hearts of those he touched...
for nothing loved is ever lost
and he was loved so much.*

Acknowledgement

*During a time like this, we learn how much
our family and friends really mean to us. Your expression of sympathy
will always be treasured. May God richly Bless each of you.*

Supporting each other, for a stronger tomorrow.

Celebrating the Life of...

Troy June Morris

1970 ~ 2023

*Life's Journey
Troy June Morris*

Troy June Morris was born November 3, 1970, to Cheryl Morris and Stanley Riley, he was the only child to this union. It was here in Denver, Colorado that marked the beginning of a beautiful life that was well lived.

Troy grew up in the Parkhill neighborhood and attended Philips Elementary, Smiley Middle, East High schools, and Cambridge College. He received his GED and an Associate Degree for Medical Assistance and Phlebotomy.

Troy was beloved. He was the first-born grandson and nephew to the Walter/Ellen Morris family. His grandparents, aunts, and uncles, spoiled him rotten, in their eyes, he could do little wrong. He enjoyed playing as most little boys do and he really enjoyed playing with the family pets. While in elementary school, he played on a little league football team. Troy also enjoyed fishing, playing video games, listening to music, watching television, (especially the Broncos and Nuggets games), cars, and being in the kitchen preparing meals from scratch which he loved hot/spicey.

As he got older, he enjoyed hanging out with the many friends he had made throughout his life. Troy shares a birthday with his niece (Aurielle) and never once gave any push back, to celebrating his birthday at a skating rink or Chuckee Cheese restaurant. Which spotlights his easy going and caring personality.

Troy was the proud father to his daughter, Asia and grandson, Kaden. Throughout his adult life he worked at several companies which included Coca-Cola, Bonfils, Goodwill, Auto Craft and Pre-Sort. His last employment being with Denver Rescue Mission, where he started working the dock and eventually became Program Coordinator and a great resource for his fellow employees.

Troy was a quiet, gentle soul but a very enjoyable person to be around. His smile would shed light on any room he was in. Troy had many obstacles in life but he never stopped fighting.

To watch him continuously overcome these challenges was magical. Troy fought a heroic fight and handled traumatic consequences better than most could ever imagine. His passion for life, friendly smile, gentle voice, and courageous soul will truly be missed.

Troy is preceded in death by his mother, and his grandparents.

Troy June Morris departed this life on January 2, 2023, in Denver, Colorado. Those left to cherish his memory and mourn his loss include his daughter, Asia M. Smith; his father, Stanley Riley; a sister, Ladean A.J. (Justin) Marshall; his grandson, Kaden L. Smith; and a host of aunts, uncles, cousins, other relatives and many friends.
